INVESTMENT SUMMARY

BUSINESS SUMMARY

Weeks Service Company ("WSC" or the "Company") performs installation, service and maintenance of heating and air condition products in addition to electrical and generator service, replacement, and maintenance. WSC services existing single family homes (90% of revenues) and commercial buildings (10%). The Company is not dependent on new construction. To date, WSC has served over 50,000 local homeowners and businesses in south Texas. WSC is primarily a residential replacement HVAC service provider.

FINANCING

The total purchase price for WSC was $17,500,000. The transaction was led by AAVIN and included AAVIN (AMF and AEP II), Diamond State Ventures and MidStates Capital. The investors received a 2% closing fee on their total investments. Parkside Financial Bank & Trust and Carrollton Bank provided $6,000,000 in senior financing with a 5 year term, and a one-year $1,000,000 working capital line of credit. The sellers rolled over $3,000,000 of the total purchase price in preferred equities. Closing costs plus working capital adjustments brought the total funding at close to $18,500,000.

AAVIN INVESTMENT

AAVIN invested a total of $4,500,000 in this transaction, with 60% of the investment in Subordinated Debt and 40% in Common Stock. The Subordinated Debt has a 14% current yield and matures in five years. AAVIN's share of the Common Stock represents 47.4% of the initially outstanding equity ownership of the Company and 35.8% on a fully diluted basis. AAVIN received a 2% closing fee of $90,000 on its total investment and AAVIN will receive $100,000 annually in management fees, payable quarterly, going forward. AAVIN has one board seat on a five-person board of directors and has also appointed an industry expert to the board.

	5 Yr. 14% Sub Debt	Common Equity	Total Investment	Ownership %

MANAGMENT

The Company will continue to be managed by the team that has managed the Company since 1980. As necessary, AAVIN will work with this team to support future growth and best practices. It is the plan that Gary Weeks, CEO, will retire and be replaced during the investment horizon. This orderly succession will provide new leadership that will grow and build the Company and take it forward beyond the exit of the investors.
